

TWO POPULAR PUBLICATIONS

From the Family Resource Center on Disabilities,
The organization that has done everything IN THE BOOK

How to Get Services by Being ASSERTIVE a 200+page manual that shows you:

- How to build your self-confidence and develop a positive attitude
- How to be assertive at IEP meetings, due process hearings, and other special education meetings
- How to cut red tape and move bureaucratic mountains
- How to improve your communication skills
- How to develop your advocacy skills, negotiating skills, and leadership skills
- How to influence people instead of just making friends

Find out how to get services from an organization that has successfully taught assertiveness skills to thousands.
Many personal success stories included.

How to Organize an Effective Parent/Advocacy Group and Move BUREAUCRACIES a 200+page manual that shows you:

- How to organize a parent/advocacy group – even though you never organized anything in your life
- How to get a state charter and tax-exempt status
- How to reach out to other parents and choose effective leaders
- How to make your parent/advocacy group an action group and move bureaucratic mountains
- How to make effective public presentations
- How to develop a newsletter and make headlines
- How to organize a conference
- How to teach your child to be a self-advocate
- How to raise money for your organization
- How to keep your parent/advocacy group from death's door

Find out how to organize and move bureaucracies from an organization that has done everything in the book.
Many personal success stories included.
